Reset Your Local Reference Data in M-SPIRIT

Since the value of the fruit and vegetable benefit increased for women, it caused a change in another area. The maximum number of infant fruit and vegetables 4 ounce containers exchanged for the benefit in a Food Package III had to be increased. That change has been completed. Please reset your local reference data in M-SPIRIT to reduce the risk of error messages. If you have any questions about the maximum quantities, contact Chris at cfogelman@mt.gov or 1-800-433-4298.
